

PRESS RELEASE

**Nafe Consultants GmbH and Binder Associates GmbH assisted BIOTECON
Diagnostics GmbH in its successful sale to BioChek International Holding B.V. / EW
Group**

Munich, 23. April 2020. – Nafe Consultants GmbH and Binder Associates GmbH advised shareholders and management in the sale of Germany-based BIOTECON Diagnostics GmbH to BioChek International Holding B.V.

Both, Nafe Consultants GmbH and Binder Associates GmbH, have been responsible for the preparation of the exit, search and identification of the buyer as well as for the coordination of the M&A process including negotiation of the agreements.

BIOTECON Diagnostics GmbH is specialised in development, manufacturing and sale of PCR based solutions for food safety diagnostics.

BioChek is in animal health monitoring system for the poultry and swine industry. The company is a member of the EW Group. The EW Group is a leader in the Agri market with over 190 companies in the EW Group corporate family.

The sale creates a new, leading global player in veterinary and food safety solutions, targeting mainly the markets of meat, egg, dairy, baby food, chocolate and beer & beverage. The synergetic product portfolios of both companies offer now an industry-unique range of services.
